Sir,

Subjects - Appointment of two clerks temporarily for a period of six months in connection with the introduction of the Provident Fund Rules for the benefit of the sweepers etc

Adverting to Government Order No L 6552-4/M1/11-41-150 dated 31st December 1943 approving of the Rules for instituting and regulating the Provident Fund Scheme for the benefit of Sweepers etc , I have the honour to state that the Municipal Council in their meeting held on 29th January 1944, resolved that steps may be taken to give effect to the scheme from 1st April 1944

In giving effect to the Provident Fund scheme, it involves extra heavy work in mairtaining the several registers

and accounts as it is calculated that about 1000 employees would be entitled to the benefit of the scheme As this cannot be attended to by the existing normal staff, it was proposed to appoint two clerks one on Rs 40-2-50 another on Rs 30/- in grade Rs 25-1-40 per mensem as the work required the service of clerks knowing accounts The proposal contained in the office note (copy enclosed) was circulated among the Municipal Councillors as the appointments were to be made from 1st April, 1944

The Municipal Council have approved of the proposal to appoint two clerks one on Rs 30/- per mensem and another on Rs 25/- per mensem in the grade of Rs 25-1-40 for six months and I enclose herewith a copy of the resolution for the information of Government The extra cost involved in this behalf during the current year is Rs 195/- inclusive of Dearness allowance, which will be met out of the lumpsum provision of Rs 3500/- made under E 2(a) Provident Fund Scheme in the Budget estimates

I request you kindly to obtain sanction of Government to the entertainment of two clerks temporarily for a period of six months, as resolved by the Municipal Council

Office of the President,
City Municipal Council, Mysore,
Dated 1st March, 1944

OFFICE NOTE

Note regarding Provident Fund Scheme

There are two schemes sanctioned for the benefit of the sweepers, scavengers and other non-pensionable employees who are on a permanent basis, in this Municipality One is the payment of gratuity to such of them as are not entitled to the benefit of pension, or Provident Fund, as per Rules framed for the purpose in Government Order No L 7720-1/ M1 11-42-123 dated 27-1-1944 and the other is the Institutior of the Provident Fund Scheme, as per rules formulated in G O No L 6552-4/M1 111-41-150 dated 31-12-1943 The Municipal Council, have resolved that the schemes be introduced with with effect from 1st April 1944 As regards the former scheme, there is not much work to be done but thecases as and when they arise, have to be disposed of on the merits of each case, and within the meaning of the provisions made therefor The cases of the kind will be few, since most of the employees come under the Provident Fund Scheme So far as this scheme is concerned,it is enough if a record is main -tained in respect of each employee showing the service rendered and the pay drawn on 1st July of each year of service which can be attended by the office, disbursing their pay

As regards the Provident Scheme, several registers and accounts have to be maintained as per forms prescribed which cannot be attended to by the normal staff, as it involves extra heavy work It is roughly calculated that about 1000 employees, would be entitled to the benefit of this scheme Individual applications have to be obtained fr all of them, and detailed prescribed accounts have to be maintained and pass books given to each subscriber The Superintendent, Government Printing Press has been requested

to supply the necessary printed registers and forms immediately to facilitate the work being started The preliminary work has to be expeditiously pushed through before the scheme is given effect to It is therefore considered quite necessary that two hands one on Rs 40/- in grade Rs 40-2-50 and another on Rs 30/- in grade Rs 25-1-40 should be employed for a period of six months in the first instance, their continuance or otherwise depending on the nature of the work involved

Sanction is therefore sought for, to the entertainment of the proposed temporary hands

The Sectional Officers will be asked to prepare eligibility lists of subscribers to the Fund immediately

Sir,

Subject - Regarding the continuance of the temporary clerks one on Rs 30/- and another on Rs 25/- in grade Rs 25-1-40 on a permanent basis

---

I have the honour to state that in accordance with the resolution of the Municipal Council the posts of the two temporary clerks one on Rs 30/- and another on Rs 25/- in grade Rs 25-1-40 were resanctioned for a period of six months from 1st April, 1944 by Government in their Order No L 10414-5/11 11-43-100 dated 5-4-44 for attending to the maintenance of the prescribed registers and accounts relating to the Provident Fund Scheme for the benefit of the sweepers and other non-pensionable employees of the Mysore City Municipality /As the term of these two posts/was due to expire by the end of October 1944 and it was considered desirable to continue,/the the post subject with an office note was placed before the Provident Fund Committee Meeting held on 29th September 1944 who then decided that the two posts may be made permanent and recommended the same to the Council for sanction The Municipal Council before whom the subject came up for consideration at their Ordinary Meeting held on 28th October 1944, approved of the proposal that the two posts of clerks may be made permanent ~~Copies of~~ The extracts of the resolutions of the Provident Fund Committee and the Municipal Council are herein enclosed

In the above circumstances, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to continue the two posts of clerks one on Rs 30/- and another on Rs 25 in grade Rs 25-1-40 on a permanent basis

In this connection, I wish to mention that in para 2 of the preamble of the Government Order referred to above, it has been omitted to note the grade of Rs 25-1-40, but only mention is made of the employment of two clerks one on Rs 30/- and another on Rs 25/- and this has given room for misconception to the fact that the two posts sanctioned are on fixed salaries of Rs 30/- and Rs 25 though the Government Order states that the resolution of the Municipal Council allowing the grade of Rs 25-1-40, is sanctioned

I request that recessary amendment to the preamble of the said Government Order may kindly be issued to make the matter clear

Sir,

With reference to your letter No L 5305 dated the 2nd December 1944 enquiring whether the services of one permanent clerk will not do in view of the fact that the above work has settled down to routine business, I have the honour to state that the work has not yet settled down to routine business The prescribed registers are yet in the course of being printed and the Press Superintendent is being corresponded in regard to the supply in full of the several registers required in this connection More than 1 000 accounts have to be maintained During the first 15 days there will be work for both the clerks to verify and compile the deductions from salary from the Nominal rolls and also to arrange for the municipal quota of contribution being credited to the fund and writing up the ledgers and other concerned registers in manuscript form During the rest of the days, one clerk will attend to the Provident Committee papers, refunds of Provident Funds and transactions with the Treasury for deposit and withdrawal of subscriptions of the subscribers and of the Municipality Thus the services of two clerks will be necessary till the work settles to a normal condition Hence one clerk may be made permanent and the other continued till the end of June 1945 The question will be further examined at the end of the year and if necessary, sanction will be applied for to continue the services of the 2nd clerk also
